

# Preschillah

Name: Preschillah      Age: 15 years  
Village: unknown      Diagnosis: Epilepsy

Preschillah is a young lady with epilepsy and developmental delay. She was living with her grandmother and when she passed away, no other family members were willing to care for her. The police brought her to Home of Hope. She is a very polite and sweet young lady.

Preschillah is capable of speaking English, caring for herself and going to school. She helps care for the other children at Home of Hope, assists with cooking and helping clean. She was not on anti-epilepsy medications prior to coming to Home of Hope, but has been started on three different medications and her epilepsy is now well controlled. She was attending school prior to her grandmother's death and would love to begin attending school again. Her favorite subject is English and she wants to be an editor when she grows up.

Preschillah needs sponsorship for both her daily care at Home of Hope and her school. Home of Hope sponsorship would provide for her daily needs, including meals, clothing, nanny care, medications and any other needs she may have. School sponsorship would provide for her tuition, uniforms and school supplies. The cost is \$45 per month via Paypal for either sponsorship (\$90 for both). Sponsorship includes updates on Preschillah throughout the year and following Our Hope's annual trip to Uganda. If you are interested in sponsoring Preschillah, please contact [ourhopeinternational@gmail.com](mailto:ourhopeinternational@gmail.com) or complete the form under the 'Donate' tab on our website, ensuring you check the box for an automatically repeating payment.
