

Rahumah

Name: Rahumah Age: 12 years
Village: unknown Diagnosis: Autism Spectrum Disorder,
Deaf, Blind

Rahumah was abandoned by both her mother and father due to her disabilities. Her aunt attempted to care for her, but her husband would not allow her to continue living with them. She was then left with neighbors who again tried to care for her, but were unable; they then left her with the police. The police brought her to Home of Hope, where they knew she would receive the care she deserves.

Rahumah is doing well at Home of Hope due to the nannies' love, nursing care, daily meals and occupational therapy sessions. Rahumah has learned to walk with support, feed herself and utilize her hands for activities. Her occupational therapy sessions focus on learning to do self-care activities, such as dressing.

Sponsorship for Rahumah would provide for her daily needs, including meals, clothing, nanny care, occupational therapy sessions and any other needs she may have. The cost is \$45 per month via Paypal. Sponsorship includes updates on Rahumah throughout the year and following Our Hope's annual trip to Uganda. If you are interested in sponsoring Rahumah, please contact ourhopeinternational@gmail.com or complete the form under the 'Donate' tab on our website, ensuring you check the box for an automatically repeating payment.
